SELWA TOFIK NESRU

Addis Ababa, Ethiopia | 0985193897 | selwatofik.2@gmail.com

PROFESSIONAL SUMMARY

Motivated and detail-oriented Frontend Developer and 4th-year Computer Science student with strong knowledge in HTML, CSS, JavaScript, and multiple programming languages. Passionate about building responsive and user-friendly web applications. Eager to gain real-world experience and contribute to innovative development teams.

EDUCATION

Werabe University — BSc in Computer Science
Expected Graduation: 2026

- Relevant coursework: Programming, Web Development, Data Structures

- Strong focus on software development and problem solving

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript

Programming Languages: C++, Python, Java, PHP

Concepts: Responsive Design, Debugging, Problem Solving, UI Basics

PROJECT EXPERIENCE

Personal Portfolio Website

- Developed a responsive portfolio website using HTML and CSS

- Designed clean and user-friendly interface

- Showcased projects and technical skills

JavaScript Calculator

- Built an interactive calculator with arithmetic operations

- Implemented DOM manipulation and event handling

- Improved user interaction and logic building skills

Snake Game

- Developed a simple game using programming logic

- Applied loops, conditions, and user input handling

- Strengthened algorithmic thinking

Digital & Analog Clock

- Created real-time clock applications using JavaScript

- Worked with time-based functions and UI updates

CERTIFICATIONS

- 5 Million Coders AI & Programming Certificate

LANGUAGES

- Amharic (Fluent)

- Arabic (Fluent)

- English (Basic)

ADDITIONAL INFORMATION

- Strong motivation to learn and grow in software development

- Good communication and teamwork skills

- Interested in frontend and modern web technologies
